

*This is how it works ...*

During the six weeks of the Brockville Library TD Summer Reading Club, children of all ages are invited to explore the farthest reaches of the library jungle and discover captivating books to read. Upon registering, each Summer Reading Club member will receive a free Destination Jungle poster with stickers, an activity booklet and a quest map featuring six jungle animals. Each week Club members must seek out a library staff member and report on one book they have read. Staff members will be wearing buttons with one of the six jungle animals found on the map. When Club members report on their book and answer a jungle riddle, they will receive a sticker matching the animal on **that staff member's button. Club members must collect all six jungle animal stickers, one for each book they read, to finish their quest. The completed map with all six stickers is their ticket to attend the TD Summer Reading Club Pizza Party sponsored by [Pizza Hut, Brockville](#) on Thursday, August 19.**

The Brockville Library also offers additional programs the during July and August. Details are listed on the attached calendars. Registration is required for all programs except the drop-in gaming, movies and teen drop-in programs. Registration for these programs begins Monday, June 28. Any fees for programs must be paid at the time of registration (fees are indicated on the calendars.)
