## New & Improved Services

### Government Gateway@your library™

The provincial government and the Brockville Public Library have made accessing government services and forms a little easier. Our library has partnered with ServiceOntario (7 King St. W.) to help individuals and business access information from the ServiceOntario website ([www.serviceontario.ca](http://www.serviceontario.ca)). From this site you can access over 400 government forms. Our staff has been trained to help patrons navigate the site.

### Youth Advisory Group

The third meeting of our youth advisory group was held last month. The youth advisory group role is to work as a liaison between the library and the teen community in order to help us better serve this user group.
